

Sprint 4 Report: SOS (Save Our Species)
MarineVP
12/02/19

Actions to Stop Doing:

- Stop saving design/constraints until last minute
- Don't add functionality last minute that could cause bug
- Don't work from master branch

Actions to Start doing:

- Communicate earlier about missing meeting
- Make sure everyone knows when a branch/commit has been merged to master

Actions to Keep Doing:

- Keep doing a good job of signing up for tasks yourself
- Keep being communicative about progress and obstacles.

Work Completed/Not Completed:

- 7 Pull Requests were opened, 6 were merged
- 9 Tasks were completed, 2 were still in progress, 1 not started
- 3 User stories were completed, 1 in progress

Work Completion Rate:

Burn-up
